D | G | D | G

### Verse 1

| D | G  
The sirens are screaming and the fires are howling,  
| D | D  
Way down in the valley tonight  
| D | A  
There's a man in the shadows with a gun in his eye  
| G | G  
And a blade shining oh so bright  
| D | A  
There's evil in the air and there's thunder in the sky  
| Bm | G | G |  
And the killers on the bloodshot streets  
| D | A  
Oh and down in the tunnel where the deadly are rising  
| G | G  
Oh I swear I saw a young boy, down in the gutter  
| G | A | G | A |  
He was starting to foam in the heat

### Pre-Chorus

| G | A | D | G  
Oh Baby you're the only thing in this whole world, that's pure and good and right  
| G | A | G | D  
And wherever you are and wherever you go, there's always gonna be some light  
| G | A | Bm | G | G  
But I gotta get out, I gotta break it out now, before the final crack of dawn  
| D | A | G  
So we gotta make the most of our one night together, when it's over you know  
| G | A | G | A | G  
We'll both be so alone

## Chorus

| D | G | D | D |  
Like a bat out of hell, I'll be gone when the morning comes  
| D | F#m | Bm / A / G / G |  
When the night is over, like a bat out of hell I'll be gone, gone, gone  
| D | A | G | G |  
Like a bat out of hell, I'll be gone when the morning comes  
| D (strum 1 & 3) | A (strum 1 & 3)  
But when the day is done, and the sun goes down  
| G (strum 1 & 3) | A / F#m / G / A | A |  
And the moonlights shining through  
**Slow** | D F#m | Bm D  
Then like a sinner before the gates of heaven  
| G Bm | G | Rest | **WAIT**  
I'll come crawling on back to you

## Full tempo

| G / G / G / A | G / G / G / A |

## Verse 2

| D | G | D | D |  
I'm gonna hit the highway like a battering ram, on a silver black phantom bike  
| D | F#m | G | G |  
When the metal is hot and the engine is hungry, and we're all about to see the light  
| D | A | Bm | G | G |  
Nothing ever grows in this rotting old hole, everything is stunted and lost  
| D | A | G | G | G |  
Nothing really rocks, and nothing really rolls, and nothing's ever worth the cost

## Bridge

| G A | D | G A | D |  
And I know that I'm damned if I never got out, and maybe I'm damned if I do  
| G A | Bm | Bm |  
But with every other beat I got left in my heart,  
| G A | D |  
You know I'd rather be damned with you  
| D | A |  
Well if I gotta be damned you know I wanna be damned  
| G A | D |  
Dancing through the night with you

Well if I gotta be damned you know I wanna be damned  
Gotta be damned you know I wanna be damned  
Gotta be damned you know I wanna be damned  
Dancing through the night, dancing through the night  
Dancing through the night with you

### Chorus

Like a bat out of hell, I'll be gone when the morning comes  
When the night is over, like a bat out of hell I'll be gone, gone, gone  
Like a bat out of hell, I'll be gone when the morning comes  
But when the day is done, and the sun goes down  
And the moonlights shining through  
**Slow** Then like a sinner before the gates of heaven  
I'll come crawling on back to you  
**Slower** Then like a sinner before the gates of heaven  
I'll come crawling on back to you
