

The Season Song

Verse 1:

Green fields and daffodils, blackbirds greet the dawn,

Hear them sing as daylight grows

Nesting birds in pairs, see the new life born

Seasons come and seasons go

Oh oh oh

Oh Oh

Verse 2

Kids paddle in the sea, strawberries and cream

Gardens bloom a summer show

Lying on the grass in the meadow by the stream

Seasons come and seasons go

Oh oh oh

Oh Oh

Bridge (call and response – leads call)

Golden leaves and conkers and harvest moon

Golden leaves and conkers and harvest moon

Blackberries and bonfires

Blackberries and bonfires

Golden leaves and conkers and harvest moon

Golden leaves and conkers and harvest moon

Verse 3

Frosty mornings, days are dark

Logs burning, cosy nights

Children waiting for the snow

Mittens hats and scarves

Streets decked with sparkling lights

Seasons come and seasons go

Oh oh oh

Oh Oh
